Dear Dr. Martin:

This letter is formal notification of the action taken by the Accreditation Commission for Education in Nursing (ACEN) at its meeting on July 14-15, 2016. The Board of Commissioners voted to affirm continuing accreditation to the baccalaureate nursing program as the program is in compliance with all Accreditation Standards and Criteria reviewed during the focused visit following the implementation of distance education and change in status with the state regulatory agency. The Commission also affirmed the next onsite accreditation review for the Spring 2022 cycle. The details of the accreditation visit and the decision put forth by the Board of Commissioners have been sent to the program's nurse administrator.

We look forward to continued successes for your nursing program. On behalf of the Board of Commissioners, we thank you and your colleagues for your commitment to quality nursing education. If you have questions about this action or about ACEN policies and procedures, please contact me.

Sincerely,

Marsal P. Stoll, EdD, MSN
Chief Executive Officer
