AND  
ALAMANCE COMMUNITY COLLEGE**

**THIS ARTICULATION AGREEMENT** is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter "N.C. A&T") and **ALAMANCE COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter "ACC"). N.C. A&T and ACC hereby join in a collaborative effort to facilitate the transfer of students graduating from ACC with an Associate in Applied Science in Horticulture Technology into the Bachelor of Science in Agricultural Education (Agricultural Professional Service) Program at N.C. A&T and agree to the following terms and conditions:

1. **Admissions Requirements** - The parties agree that a graduate of ACC with an Associate in Applied Science (AAS) in Horticulture Technology with at least a cumulative grade point average (GPA) of 2.0 based on a 4.0 scale will be admitted to N.C. A&T provided all other admissions conditions are satisfied per the Admissions application. In order to be considered for admissions in accordance with this Articulation Agreement, ACC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at ACC as equivalent on a course-by-course basis. All ACC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see page 3*) with a grade of "C" or better earned.
3. **Faculty** - ACC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status**- ACC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at ACC and N.C. A&T shall encourage AAS Degree completion at ACC prior to transferring. To be eligible for inclusion in this Articulation Agreement, ACC students must complete the AAS Degree. ACC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, all students who transfer prior to completing all AAS Degree requirements must meet the N.C. A&T transfer admission requirements.
6. **Promotion** - Parties at ACC and N.C. A&T shall support and promote this Articulation Agreement on campus through marketing, recruiting, and websites.
