THIS ARTICULATION AGREEMENT is made and entered into by and between **NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY**, a public university located in Greensboro, North Carolina (hereinafter "N.C. A&T") and **CAPE FEAR COMMUNITY COLLEGE**, a North Carolina Community College System Institution (hereinafter "CFCC"). N.C. A&T and CFCC hereby join in a collaborative effort to facilitate the transfer of students graduating from CFCC with an Associate in Applied Science in Landscape Gardening and Horticultural Science into the Bachelor of Science in Agricultural Education (Secondary Education) Program at N.C. A&T provided all other admissions conditions are satisfied. In order to be considered for admissions in accordance with this Articulation Agreement, CFCC students must submit an official transcript that indicates AAS Degree completion.
2. **Transfer Requirements** - N.C. A&T agrees to accept transfer coursework completed at CFCC as equivalent on a course-by-course basis. All CFCC transfer students may receive up to a maximum of sixty-four (64) semester hours of academic credit for approved courses completed (*see page 3*) with a grade of "C" or better earned.
3. **Faculty** - CFCC courses approved for transfer credit must be taught by faculty who meet the community college credential requirements.
4. **Student Class Status**- CFCC transfer student class status will be based on the total number of transfer hours.
5. **Associate Degree Completion** - Parties at CFCC and N.C. A&T shall encourage AAS Degree completion at CFCC prior to transferring. To be eligible for inclusion in this Articulation Agreement, CFCC students must complete the AAS Degree. CFCC students who transfer prior to completing all AAS Degree requirements will have their coursework evaluated on a course-by-course basis. In addition, CFCC students who transfer prior to completing all AAS Degree requirements must meet the N.C. A&T transfer admission requirements.
