Q12 - What program features or components enabled you to be effective in your field of study?

What program features or components enabled you to be effective in your field of study?

I enjoyed having the ability to complete a year long internship.

All of the classes taken in the program have prepared me for my role as an effective teacher.

Very supportive staff and institution.

Online portfolio (Edtpa)

Coursework and provided PD

Q13 - What program feature or components were the least beneficial to you and why?

What program feature or components were the least beneficial to you and why?

The initial explanation of the artifacts that were due at the end of the program was not effective.

All program features and components were strategic in preparing me for my teaching career.

Very hands on experience with a cooperative learning environment.

N/A

Q14 - What suggestions would you recommend to improve your program for the next cohort?

What suggestions would you recommend to improve your program for the next cohort?

Dedicate a class to writing certain artifacts exclusively.

As a cohort 1 member, my program was very fast paced which was addressed with later cohorts. I enjoyed the fast pace, but others struggled with meeting requirements.

None

Inclusion of a course on classroom management

Q15 - What additional comments do you have?

What additional comments do you have?

I would recommend the program. I would like for there to be more resources with placing interns in permanent positions after their internship is over.

I appreciate the efforts of all involved in preparing me for my teaching career.

I love being able to call myself an alumn at NC A & T
